

WHAT'S MY SIZE?

The best way to determine what your size is, is to measure the circumference of your head where you want to wear it. Please refer to the size chart for measurement conversion.

HOW TO MEASURE YOUR HEAD:

Measure the circumference of your head approximately 2.5 cm (1") above your ears as shown in the illustration. Make sure not to measure too tightly. If you are unsure of your size, we recommend sizing up.

HAT SIZER	S	M		L		XL		XXL		
NUMERICAL SIZE	7	7 1/8	7 1/4	7 3/8	7 1/2	7 5/8	7 3/4	7 7/8	8	8+
CENTIMETERS	56 CM	57 CM	58 CM	59 CM	60 CM	61 CM	61.5 CM	62.5 CM	63.5 CM	66.5 CM
INCHES	22"	22 3/8"	22 3/4"	23 1/8"	23 1/2"	23 7/8"	24 1/4"	24 5/8"	25"	26 1/8"
